

Information from the Graduate Centre

Doctoral examinations for Dr. rer. biol. hum. during the coronavirus pandemic

In accordance with the Coronavirus Regulations at FAU which entered into force on 18 April 2020 and the implementation provisions which were passed subsequently by the Faculty of Medicine and the second Bavarian Regulation on Infection Prevention and Control Measures of 16 April 2020, doctoral examinations for the degree Dr.rer.biol.hum may now be held under the following conditions:

I. Face to face examinations:

1. The minimum distance and hygiene requirements stipulated by the Robert Koch Institute must be observed
2. The public may not attend the doctoral examination.
3. All participants must confirm their consent via e-mail to promotion-biolhum@fau.de. If you are holding or taking part in a face to face examination, please confirm your consent via e-mail.

II. Examinations held by video conference:

1. Subject to the approval of an application requesting an online examination in writing by the doctoral candidate addressed to the Chair of the Doctoral Affairs Committee.
2. If there is sufficient reason for not holding holding a face to face examination.
3. Software approved by FAU or UKE (Zoom or GoToMeeting) must be used.
4. The member of the Doctoral Affairs Committee will set up the online examination as an administrator according to the software used and invite the doctoral candidate and examiner to join the examination.
5. The examination must not be recorded.
6. Before the start of the examination the candidate must perform a 360 degree slew of the room with their camera to demonstrate that they are alone in the room.
7. At the end of the examination, the member of the Doctoral Affairs Committee will complete and sign the examination protocol sheet and send this to the Doctoral Affairs Committee.
